

ROCKSTAR

HRT 5

Dalle piazze al centro della scena del living contemporaneo Rockstar si propone quale moderna reinterpretazione del porfido. Il tradizionale mosaico a "coda di pavone", la vasta gamma di formati e pezzi speciali permettono la realizzazione di ambienti interni ed esterni esclusivi e ricercati.

From downtown to the center of contemporary living, Rockstar steps in as a modern reinterpretation of porphyry. The traditional "fan-pattern" mosaic, the vast array of special pieces and sizes allow for the creation of exclusive and sophisticated indoor and outdoor settings.
