HALL of
MIRRORS

La colección 'Hall of Mirrors' se inspira en la famosa Galería de los Espejos, la suntuosa sala del Palacio de Versalles con la que Luis XIV impresionaba a los reyes y autoridades que lo visitaban. Asimismo, hoy son nuestras piezas altamente pulidas, las que nos impresionan con sus reflejos, con las simetrías de luces y sombras y con la exquisitez de sus diseños, aportando una sensación de amplitud y elegancia a los espacios.

The Hall of Mirrors collection is inspired by the Galerie des Glaces in the Palace of Versailles, famous for its opulence and used by Louis XIV to impress the monarchs and dignitaries who visited it. Today, it is our tile collection with its highly polished finish that will impress you, thanks to its sparkle, symmetry of light and shade, and exquisite designs, conceived to bring stylish elegance and a sensation of added spaciousness to settings.

Moonlight

Wild attraction

Moonlight refleja el lado más exótico de la colección Hall of Mirrors. El blanco y el negro se transforman en la piel del leopardo, de la cebra y la jirafa para transmitirnos el exotismo y la elegancia de estos animales. La magnitud de las piezas y sus acabados pulidos, las convierten en el recubrimiento ideal para crear ambientes con estilo y marcada personalidad. Las piezas 'animal print' combinan a la perfección con la base Moonlight White y Black, una interpretación más vanguardista del mármol siguiendo las últimas tendencias que apuestan por el blanco y negro.

Moonlight embodies the more exotic side to the Hall of Mirrors collection, with black and white representing the skin of a leopard, zebra or giraffe and exuding all the exotic elegance associated with these animals. The tiles' large format and polished finish make them ideal for big areas where a stylish backdrop with a strong personality is sought. These animal print models can be combined with Moonlight's Black and White field tiles, which reinterpret marble to innovative effect in keeping with today's trendsetting fashion for black and white.
