# Vetrite Electric Marble

SICIS stupisce il mondo con i nuovi Electric Marble che sembrano uscire dalle più ardite tonalità di sintesi.

Alla naturale gamma del Marmo si è voluto aggiungere un particolare effetto neon per creare qualcosa di unico, di introvabile, di rivoluzionario. Il Marmo prende vita all'interno delle sue venature come fosse colpito da bagliori metallici per creare lastre in vetro con tonalità metallizzate energiche che possano dare unicità a qualsiasi ambiente.

Le lastre Electric Marble sono disponibili nei formati standard 120 cm x 280 cm e sottomultipli, e nel formato Big con misura 138 cm x 290 cm.

*SICIS surprises the market with the new Electric Marble that seem to come out from the most daring synthesis shades.*

*From the natural range of the marble, we have added a particular neon effect to create something unique, unpredictable, and revolutionary. The marble comes to life within its veins hit by metal glows to create plates in metallic shades with energetic hues that can make any environment unique.*

*Electric Marble slabs are available in standard sizes 47 1/4" x 110 1/4" and submultiples, and in Big format with measures 54 3/8" x 114 1/8".*
