¡Atención! Los colores Electric Blue y Metallic están fabricados usando esmaltes especiales con tendencia a tener un efecto craquelado natural y baja resistencia a ácidos, bases y productos de limpieza agresivos. No utilizar productos de limpieza agresivos (como la lejía o el amoníaco).

⚠ Valor de resistencia al rayado (MOHS): no aplicable

Warning! Electric Blue and Metallic colours are produced using special glazes with a natural tendency to crackle effect and low resistance to acids, basics and strong cleaning agents. Do not use aggressive cleaning products (such as bleach or ammonia).

⚠ Scratch Hardness value (MOHS): not applicable
