

KYROS

Inspired by Pulpis marble, the KRYROS collection comes in an innovative SOFT finish. In combination with its gentle relief texture, technical properties have been achieved that make KRYROS a good all-rounder, suitable for all kinds of projects. Subtle shade variation lends the design a certain movement, while the glossy shine of its veins ensure added luminosity. The collection comes in a choice of three different colours (White, Brown and Grey), in addition to a décor that combines the three colours in geometrical form.

Inspirada en el mármol pulpis, la colección KYROS presenta un novedoso acabado SOFT que en combinación con su suave relieve consigue unas características técnicas perfectas para cualquier tipo de proyecto. Un suave destono aporta movimiento a las gráficas, así como el acabado brillo de sus vetas le aporta luminosidad. Disponible en tres tonos diferentes (White, Brown y Grey) y una referencia decorativa que combina de forma geométrica los tres tonos.
